

MVSTAR

MVSTAR COMPANY LIMITED

INTRODUCTION BUSINESS PLAN THAILAND 2022

We MV STAR CO.,LTD. is the international engineering and project management contracting organization, successfully delivering major projects for its Clients across the breadth of the resources and Energy sector. The company is built on its ability to provide domestic and global Customers with project support from the earliest feasibility phases through to delivery of major process plant projects and on into engineering and asset management support for the operating plant. Long-term Client relationships developed through material contributions to value enhancement in each project we deliver is the foundation of our business success.
